

Improve your EAP sessions by truly Maximizing the Power of your Horse!

Refuge Services, Inc. is excited to sponsor the Eagala model workshop presented by Randy & Patti Mandrell of Lubbock, Texas.

“Maximizing the Power of the Horse”

Purpose: The purpose of this workshop is to provide horse professionals and mental health professionals with the skills and keen awareness of horse body language and personalities in order to maximize the use of the horse in Eagala model sessions.

- Goals:**
- (1) Learn the basics of horse psychology
 - (2) Identify powerful messages horses communicate that provide valuable therapeutic information
 - (3) Equip mental health professionals and equine professionals with the skills to identify and interpret horse cues to aid in therapy
 - (4) Gain a further understanding of the importance of the horse's role in the Eagala model team
 - (5) Learn to evaluate a session using “horse sense”
 - (6) Improve in incorporating the horse into the therapy team through “hands on” applications and processing
